HISTORIC DEMAND AND NEW SPACE DELIVERED (SF)

MARKET ACTIVITY

Gross Absorption: A total of 329K SF was absorbed, consisting of:

- 200K SF of newly delivered and occupied space.
- 129K SF of existing space occupied.

Availability: Increased to 2.1M SF, due to:

- 215K SF of available space delivered.
- 34K SF of vacated space
- 82K SF of Spec. space not occupied.

MARKET LEVERAGE

Given the increase in availability and the moderate transactional absorption, Chihuahua remains mostly a tenant market. However, the average asking lease rate is higher than in previous quarters, given Prologis' entry into the market after the Terraflina acquisition.

MAIN INDICATORS LEVEL 1 (SF) ▲▼ Previous Quarter Difference

	MARKET SIZE	AVAILABILITY	VACANCY	GROSS ABSORPTION	NET ABSORPTION	AVG. LEASE RATE (US\$/Mo)

All measurements are in square feet | Market Size, Vacancy and Availability are based on existing buildings, excluding under construction | No warranty or representation, express or implied, is made as to the accuracy of the information.

LEVEL 1 GLOSSARY

Market Size

The combined size, stated in square feet, of all the industrial buildings, distribution centers and warehouses that physically exist in the market for this quarter.

Availability

The combined size, stated in square feet, of all the industrial buildings, distribution centers and warehouses that physically exist and are currently available in the market for this quarter.

Vacancy

The percentage of all existing space currently available in relation to the total size of the market.

Gross Absorption

All physically existing space that was newly occupied by a tenant or buyer during the quarter; the sum of existing space leased (or acquired) and buildings that finished construction and are newly occupied by a tenant upon delivery (BTS and pre-leased Spec.).

Net Absorption

The resulting subtraction of all physically existing space newly occupied during the quarter minus the space that has become available during the period; Gross Absorption minus Vacated space and Delivered & Available Spec.

Avg. Lease Rate

The monthly lease rate per square foot that, on average, the owners of all available buildings are requesting.
